Mr. Popovici,

Thank you for reaching out, I hope all is well with John.

Once I have written and submitted the report to the EPA, my part is done. The report was submitted to the case developers in the EPA and I do not know where it stands at this time. Until you hear from the EPA there is nothing more that you need to do. I cannot tell you how long that may be.

A contact for you within the EPA at this point is Annie Hoyt, whom I have copied on this email. hoyt.annie@epa.gov

Thank you.

Sincerely,

Paul J. Ruge Jr.

Hello Mr. Ruge, I am reaching out on behalf of John Dennis who is out on Ex. 6 Personal Privacy (PP) and our company Pella Mid-Atlantic. I hope that I have not missed any communication on this matter, since John was the primary contact. Please let me know if there is anything further you need from us and pursuant to this matter. Additionally I did want to inquire as to the remaining timeframe we should expect before a formal conclusion is provided by the EPA. Thank you in advance for your time, and I look forward to corresponding with you soon.
